GOV. MURRAY

His Record as Receiver of the California Savings Bank At San Diego.

INCOMPETENCY CHARGED.

Gross Carelessness was Also Clearly Shown.

In a Decision, the Court Held That Murray Was Indebted to the Di- New Yorkers Will Be Compelled to rectors in the Sum of \$1,898.29. Which He Afterwards Paid, and Has Been Discharged-Was in Great Distress When on the Stand

Great Distress When on the Stand

[Special to The Herald.]
SAN DIEGO, Cal., Aug. 17.—General
Ell H. Murray was appointed receiver of the California Savings bank three years ago, and continued to act till May 23 last, when, in accordance with the color of the California Savings bank three years ago, and continued to act till May 23 last, when, in accordance with the city where wine is served with dinner.

crediting himself with \$50 per week cense.

At the hearing of his report lately be court, both incompetency and carelessness were shown, and there were Missourl Woman Shoots a Druggist numerous instances of his disobeying the court's orders

In his decision the court held Murthe sum of \$1,898.29, which he has since paid. He let the taxes go by default, in many instances, causing great less to the assets of the bank; and *kept his accounts by means of a stub book, and on the witness stand said he considered it a perfect method of icepling accounts. He employed an accountant to make up the accounts, and the expert's compensation was not allowed by the court in the decision.

On the witness stand Murray explicited great ignorance as to the duties.

HOLMES' EXTRADITION.

Baird, wife of a prominent local farmer, is in jail for having killed Sam scheme to send the commons and lords sunexpectedly skyward in a body. Whether the story be true or not, the afternoon papers yestereday made quite a sensation out of the affair and the lime any more liquor. Elston did not habitants of this great metropolis have not done talking about it. Simmered down to cold facts, it appears that there was some foundation for the report, and it rested upon the tragedy has caused great excitement.

LONDON, Aug. 17.—The Field says
the latest New York information
seems to show that the club committee is
catching at straws with the purpose of continuing to hold the cup. The
club measurements are concealed for
fear the architect and designer of
Valkyrie III should take advantage of
them and do likewise.

"That fear is not well founded," says
the Field, "as nothing can be done to
alter Valkyrie III before the contests.
She must win or lose as she is."
A letter, signed J. F., appears in the
Field, which says:
"When the American syndicate, who
are presumably gentlemen, cannot
fairly treat an American boat, what
can Lord Dunraven expect?

"Mr. Millard was formerly regarded
as one of the first yachtsmen, but he
will probably now be relegated to a
back seat. There seems to be a determination to prevent Vigilant making
any show against Defender, although
etweybody knows there is very little
difference between them. The Yankee
always wants the butter on his side
of the dish."

The Evening News says: "The cup
oommittee's decision not to publish
the dimensions of the Defender and

carrying out of Acting Chief of Police Conlin's latest orders, under white Warrants will be asked for the arrest of every saloon-keeper whose bartender is caught violating the law.

The Attention of Acting Chief Conlin was called to the fact that the excise law was violated Sundays in many of the Prench table Chot restaurants in the city where while is served with main order of Judge Pierce, he turned over the assets to the bank directors.

On the Fifth Week.

On the Fifth Week.

SAN FRANCISCO, Aug. II.—On Monday the trial of Theodore Durrant for the murder of Blanche Lamont will enter upon its fifth week. During the first two weeks a subtantial class of proofs was drawn from the box and it was comparatively easy to secure eight men who said they had no bias and were satisfactory for every reason. All of the past week was spent in a vain effort to find a single salisfactory talesman.

As the case progresses the respective counsel find it more difficult to be safely.

LONDON, Aug. 17.—(Copyrighted by the Associated Press.)—The first days of the new parliament have been marked by several features of note. The most prominent of them was the mater want of color in the queen's speech, the remarks of the Marquis of Salisbury in reply to Lord Rosebery, in the house of lords, and the suspension of Dr. Charles Tanner for extraordinary conduct in the house of commons, during which the latter gave the to Mr. Timothy Harrington, who

AMERICAN PHARMACISTS.

DENVER, Aug. 17.—The delegates to the American Pharmaceutical conven-tion discussed scientific subjects at their meeting today. The papers were of great scientific value, but of little interest to the public.

The council has elected the following officers: Chairman, William S. Thompson, Washington; vice-chairman, Wm. C. Alpers, Bayonne, N. J.: secretary, George W. Kennedy, Pottsville, Pa.

RAPIDLY RECOVERING.

WASHINGTON, Aug. 17.—A cablegram was received from Licutenant Harris at Guayaquil today stating that Commander Watson was rapidly re-overing and would soon be ready to assume command of the Ranger. Nothing was said about recent engagements between the government and the revolutionists in Ecuador.

SEA AND SAIL

NEW YORK, Aug. 17.—[Copyrighted by the Associated Press.]—As the first of the formal trials between Defender and Vigilant will take place Tuesday next, a glance at the work that the champions have done up to date will not be amiss. In fact it will be especially interesting to all Americans for it will show how the next boat, on whose worth probably shall depend to retain the greatest of all yachting emblems—the America's cup—has been improving in form right along. The received in the binded to improve that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the binded to improve the statement that the sentiment expressed in the dyding out of the feath of the statement that the sentiment expressed in the statement that the sentiment expressed in the dyding out of the feath of the statement that the sentiment expressed in the statement and the statement that the sentiment expressed in the statement that the greatest of all yacuting emblems-the America's cup—has been improving in form right along. The meeting be-tween Valkyrie III and Defender will be the closest contest ever held for the

Now take the inst two races that the Defender and Vigilant had. They were held respectively on July 20 and 22, starting from Scotland Lightship outside of Sandy Hook, in the same waters and over the same kind of course as the cup races will take place

Triangular course, 30 miles, won by 9 minutes, 17 seconds.

Her increased lead at the close of the second race is accounted for by the fact that the wind suited her bet

the fact that the wind suited her better than it did the Vigilant, as there was more beating on reaching on that day. What the yachts did in their next series of meeting, which occurred during the annual cruise of the New York Yacht club to the eastward is shown in the table below:

amateur college crews. The course was a heautiful stretch of still water at Broad Ripple, ten miles north of this city, and 3,000 people withessed the races. Governor Matthews was referee and started the boats. Vesper started with an Ehslish stroke, 38 to the minute, which was increased to \$2, for the greater portion of the mile and one-half, while the univerincreased to \$2, for the greater portion of the mile and one-half, while the univer-sity boys, with a stroke that was part Cook and part Woodraft rowed the course at a \$3 stroke. This was too slow for the distance. Vesper led from the start and finished with a half lengan of clear water behind. The course was over a mile and one-half, and was rowed in \$35 and \$33 by the two crews. The medal was a diamond jewel and was very costly.

HANNIBAL, Mo., Aug. 17.—Few spectators were present this afternoon when the court of common pleas convened to receive the report of the grand jury which has been in continuous session for nearly three months investigating the celebrated Stillwell murder case. The report was filled at 2 p. m., but the tenor of it was not known until after 4, when Sheriff Pratt went to the residence of William Perkins, at whose home the Hearnes are staying and pinced Dr. Hearne and wife under arrest, charged with the murder of A. J. Stillwell, on the night of Dec. 28, a 1888. The indefement was murder in the first degree and the case is not therefore halable. An effort was made to interview Dr. Hearne, for his arrest, but he refused to say anything. The sheriff took his prisoners to Palmyra by private containing missing the head here wealthy critical of Los Augeles. For some reason, the engagement was broken and view Dr. Hearne, for his arrest, but he refused to say anything. The sheriff took his prisoners to Palmyra ity private conveyance. Sheriff Pratt stated that the Hearnes would receive the same treatment accorded other prisoners. They will be lodged in separate cells in different floors and they will not be permitted to see or talk with each other. They will be arraigned on the lath of Soptember, in the Hannibal court of common pleas, for the murder of Amos Stillwell, the wealthy pork packer and former husband of Miz. Hearne.
